Interview Summary

The Examiner is thanked for her courtesy in conducting a telephone interview with the undersigned attorney and the Supervisory Patent Examiner on Friday November 6, 2009. The Interview Summary provided by the Examiner is accurate as to the substance and the outcome of the interview.

Supplemental Response

With regard to the §112 rejection of Claim 50, Applicant respectfully points to the last paragraph on page 6 of the application where bicolor and tricolor diodes are disclosed. Applicant respectfully requests that this rejection be withdrawn.

With regard to the §103 rejections, the independent claims have been amended to tie in the functions associated with the infrared and visible light emitting elements and to include the elevator doorway in order to further define the invention. It is respectfully submitted that the claims as amended defines over the prior art cited by the Examiner.

New Claims 55-69 have been added to further define the invention. No new matter has been introduced.

If any fees are due with this Supplemental Response, the United States Patent and Trademark Office is authorized to charge Deposit Account No. 08-2442.

If the Examiner has any further questions or concerns, the Examiner is invited to contact the Applicant's undersigned attorney/agent.

Respectfully submitted,
HODGSON RUSS LLP
